## Sunday 4<sup>th</sup> August

09:30 Prayer Meeting

10:00 Morning Worship

14:30 Corps Social - Wirral Country Park - see below

## Sunday 11<sup>th</sup> August

09:30 Prayer Meeting

10:00 Morning Worship

---

**Corps Family News** Please pray for members of our Corps family who are unwell or in need of support and also those who are away on holiday.

**Corps Social - Today at Wirral Country Park.** The Corps Social will take place at the Wirral County Park, Station Road, Thurstaston, CH61 0HN at 14:30. Please bring your own food, picnic blanket / chair. If the weather is not suitable for the picnic, we will meet at hall and share in a time of fellowship.

### Community Food Cupboard Supplies Needed

Supplies of food in our community food cupboard are running a low. If you are able, can we please ask that you bring non-perishable foods (tins and packet foods) that we can use to give out to members of the community who need it. Anything that you bring will be appreciated. Please give any donations of food to the CO's or Carol Doney.

**Community Hall Renovations Works.** The renovation works to the community hall are due to start this Monday. This means that we will not be able to run our Tuesday Cross Roads Cafe until after the works are completed. The Journaling Group and the Knit & Natter group will continue to meet in the main hall during the works. Please keep an eye on the Rock Ferry Link for updates as to how the renovations works are going.

**Parking.** Can people who are fully able please leave spaces at the front of the hall for those who struggle with walking.

## Armour Up!

*Put on the whole armour of God, that you may be able to stand against the schemes of the devil.* — Ephesians 6:11

Scuba diving is a popular beach excursion, and every diver wears the appropriate equipment in order to survive while exploring underwater worlds. The mask protects your eyes and clarifies your view. The scuba regulator transfers air from the scuba tank to your mouth. The fins or flippers help you swim and navigate efficiently, and the wet suit warms and protects your skin. Each piece of equipment helps ensure a successful visit to under-the-sea wonders.

Similarly, each part of the armour Paul described in Ephesians 6:14-17 is necessary to help us successfully complete God's mission in our lives.

God has made us the ambassadors of His redemption story — a bold move, as we are often weak on our own. Our personal inadequacy alerts us to armour up, so we put on the belt of truth, the breastplate of righteousness, the shield of faith, and the helmet of salvation. This precious covering, these spiritual tools, aid us in deflecting the darts of the enemy so we can bring forth God's plans and kingdom.

This armour doesn't weigh us down; it enables us to thrive in our mission to minister the kingdom of light. Like scuba divers jumping into watery depths, we use the proper gear so we can thwart evil "schemes" and reveal God's plan of redemption. Just as you would never travel underwater without scuba equipment, don't take the Gospel into the world without the armour of God.

Father, give me the tools I need to be an effective part of Your good plan for creation, prepared to outplay the evil one.
