Corps Family News

Please continue to pray for all Officers and their families who are moving in the coming weeks.

We think especially of **Debbie, Dominic, Hannah and Rachel** as they make their move to Preston. We thank them for their ministry, leadership and friendship over the last three years and pray that God will continue to use them in their new appointment.

We pray for **Captains Alex and Sian Wood and Caris** as they prepare to join us at Rock Ferry.

Remember those who are unwell. Why not send them a text or call and catch up.

Community Focus

The plans for the proposed Community Hall refurbishment are displayed in the Community Hall. Please speak to any member of the leadership team or community leader Myrtle Lacey if you have any questions or comments.

Parking

Can people who are fully able please leave spaces at the front of the hall for those who struggle with walking.

Begin Your Journey with God

It almost sounds like some kind of advertising slogan, but this little play on words really says it: “God will make a way” begins with God. It’s not your belief that makes a way; it’s God who makes a way. Your faith is the vital step you take to connect with God, the way-maker. But without God, all the faith you can possibly muster won’t get you anywhere.

So our first principle for finding God’s way is to begin your journey with God.

The story of Abraham in the Bible is a good example. When God called him to leave his homeland, Abraham had no idea where he was headed. But he believed God knew where he was headed, so he packed up and left. He did not believe in belief; he believed in a God who knew exactly where Abraham was going and who was able to lead him there.

So when we talk about faith, trust, and belief to carry you through your trials and troubles, we mean it in a very specific way. We’re not talking about warm religious feelings or an exercise in positive thinking. Faith is grounded in a relationship with God, a real Person who knows the way for you and promises to lead you on it.

TODAYS THOUGHT - For some who pray expecting an

answer, it takes a long time to learn that delays of answers are not denials.

There are deep secrets of love and wisdom that we have never imagined awaiting us. We tend to want to pick our blessings from the tree while they are

still green, yet God wants us to wait until they’re fully ripe. Do not doubt His love. Instead, lift up your eyes and begin praising Him right now for the

deliverance that is on its way to you. Then you’ll be abundantly rewarded for the delay that has tried your faith. L. B. Cowman
